for the dogs

- Pets must be kept under control at all times. ALL pets must be leashed. NO retractable leashes.
- Pets must be licensed and have complete, up-to-date vaccinations and rabies shots.
- Water will be available community-bowl style. If you require a separate drinking container for your pet, please bring one.
- Please come prepared to clean up after your pet. Doggy waste bags and containers will be available.
- Please consider the age and physical condition of your dog!

Your Entry Fee & Pledges will help PetPromise:

- rescue stray animals from the streets and from animal shelters where they are on death row and often minutes away from euthanasia
- work to build a no-kill sanctuary where rescued pets can be safely sheltered until we can find them adoptive homes
- provide medical care to neglected abused and injured animals
- rehabilitate hard-to-adopt animals and find them loving homes
- provide spay/neuter services for feral cats, and assist pet owners in financial need, in order to drastically reduce the number of unwanted animals
- provide food, medical care, and other assistance to pet owners in financial need, who may otherwise surrender their pets to shelters
- educate children and adults in our community on the seriousness of the pet overpopulation problem and on responsible pet guardianship

WHY WE DO WHAT WE DO
12 million animals are euthanized each year in the United States. That is 1 million a month, 1,388 animals an hour... PetPromise is working tirelessly to decrease this statistic.
